

## Planned Unit Development (PUD) Requests Planning Commission A Step-By-Step Guide

- INTRODUCTORY MEETING WITH PLANNING STAFF Staff will assist the applicant by explaining the review process, review the zoning requirements for a PUD, and provide site information, review the application and detailed site plan requirements, waive requirements if applicable. The applicant is encouraged to contact adjoining and nearby property owners and occupants to discuss their project prior to the public hearing. A copy of the mailing information for the 300' notification can be obtained from Staff upon request.
- SUBMISSION OF APPLICATION Applicant will submit application <u>at least 30 days</u> before the next regularly scheduled Planning Commission meeting (first Thursday of the month) to the Zoning Administrator for review. The Zoning Administrator shall review the application and site plan. Staff will forward a copy of the request to the Director of Public Safety, DPW/Utility Director, and City Engineer for review/comments as needed. Fee must be received before any requests are processed.
  - APPLICATION/SITE PLAN IS <u>INCOMPLETE</u> Staff will prepare a notice of findings/corrections that will be sent to the applicant. Due to the review time/noticing requirements applicants are encouraged to submit their requests in advance of the 30 day minimum requirement.
  - APPLICANT SUBMITS REVISIONS Staff reviews for completeness
- APPLICATION/SITE PLAN IS COMPLETE Staff will prepare notice of public hearing (ad in newspaper, posted on City web page, City Facebook page, posted at City Hall, mailing to all owners/occupants within 300' of property). Noticing must be at least 20 days prior to meeting date.
- SITE PLAN REVIEW COMMITTEE Staff schedules meeting, applicant presents their request to the Site Plan Review Committee. Committee will review request and make recommendations to the Commission.
  - Public Hearing Applicant shall present their case to the Commission along with any correspondence in support of their request. Staff will give their report, the public is invited to speak on the request, and correspondence will be read into the record. Public hearing will be closed.
- Meeting The Planning Commission will begin their deliberation on the request. If the Commission determines that no additional information is needed they will deliberate/take action on the request. The will adopt either a resolution to approve/approve with conditions or deny the request. If the Commission determines that additional information is needed they will postpone their determination until the next regularly scheduled meeting to allow the applicant time to provide the necessary information.
- Permit If approved, Staff will formalize the resolution of approval and prepare a special use permit. Applicant will sign special use permit that will be sent to the Register of Deeds Office for recording. A copy of the recorded document will be forwarded to the applicant for their files and a land use permit will be issued.

## **Planned Unit Development Application**

## **Please Print**

## **Submission of Application**

Applications must be submitted 30 days prior to the meeting for review for completeness. A Planned Unit Development application shall be submitted to the Planning Commission for review, analysis, and recommendation. Each application shall be accompanied by the payment of a fee \$750.00 and any applicant escrow payments as required by Section 2701 and in accordance with the schedule of fees adopted by the City Council to cover the costs of processing the application. All land for which application is made must be owned by or under the control of the applicant, and the parcel must be capable of being planned and developed as one integral unit including any non-contiguous parcels. The application must be signed by all applicants and must contain the materials described in this Section. Failure of the applicant to provide such requested information in a timely manner may delay the process of review.

Narrative							
	A detailed narrative description of the applicant's intent and objectives (physical, social, and						
	environmental).						
	A certified boundary survey and legal description of the property.						
	A statement of present ownership of all land contained in the PUD.						
	Population profile for the development.						
	Proposed financing.						
	Development staging.						
	Estimated impact of the proposed development on roads, schools, and utilities, including water and sewer,						
	fire protection and emergency services.						
	Waste emissions and methods of handling smoke, dust, noise, odors, liquid and solid wastes, and vibrations,						
	if applicable.						
	Market and economic feasibility.						
	Such other information pertinent to the development or use.						
Site Plan Review Process							

A planned unit development application (6 copies) shall be submitted to the Site Plan Review Committee (Subcommittee) of the Planning Commission for review, analysis, and recommendation. An application fee is required and shall be non-refundable. All land for which application is made must be owned by or under the control of the applicant, and the parcel must be capable of being planned and developed as one integral unit including any non-contiguous parcels. The application must be signed by all applicants and must contain the materials described in this Section. Failure of the applicant to provide such requested information in a timely manner may delay the process of review. After recommendation by the Site Plan Review Committee the applicant will submit 10 copies of the application and Site Plan for the Planning Commissions consideration.

Applicant:					
Submission Guidelines					
Items that are bold and italicized cannot be waived					
Detailed site plan shall include twelve (12) copies of all required information including any documents rendered in color					
and a digital PDF of the Site Plan shall be forwarded to the Planning and Zoning Department. Unless specifically waived by					

		n Michigan and shall include and illustrate at a minimum the following information:				
Waived Initials	Included	Planned Unit Development and Detailed Site Plan Requirements				
		The site plan shall be prepared by an Engineer, Architect, Landscape Architect or Surveyor licensed work in Michigan.				
		A scale drawing of the site and proposed development thereon, including the date, name and address of the preparer, a certified boundary survey and legal description of the property. In no instance shat the scale of the drawing be greater than one inch equals 20 feet nor less than one inch equals 200 feet. One copy shall be submitted in a photo-reduced form on 17" x 11" paper.				
		Property parcel number (from the Assessment Roll of the City).				
		The scale of the drawing and north arrow				
		A vicinity map illustrating the property in relation to the surrounding street system.				
		Existing and proposed topography of the site at two (2) foot contour intervals, its relationship to adjoining land, and proposed changes in topography. Topography of the site and its relationship to adjoining land illustrated at 2-foot contours and including an area extending 100 feet from the paraboundary.				
		Illustration of existing natural and man-made features, existing land use and zoning for the entiresite and surrounding area within one hundred (100) feet. Existing man-made features, including buildings, fences, landscaping, parking, screening and the locations, heights and footprint of each.				
		The location of all existing trees having five (5) inches or greater diameter at breast height, identified by common or botanical name. Trees proposed to remain, to be transplanted or to be removed shabe so designated. Cluster of trees standing in close proximity (3-5 feet or closer) may be designated as a "stand" of trees, and the predominant species, estimated number and average size shall be indicated.				
		All water features; springs streams and creeks, lakes and ponds, wetlands, and flood plains.				
		Locations, heights and sizes of existing and proposed structures and other important features. Illustration of all proposed improvements and buildings, fences, landscaping, parking and screening including location, height, footprint of each.				
		A rendering of the exterior elevation of the proposed buildings and structures, on-site parking, sidewalks, and travel lanes.				
		<b>Proposed setbacks from property lines and building separations distances.</b> Setback lines and the dimensions.				
		The percentage of land covered by buildings, parking and landscape open space, or preserved open space. Percentage of land covered by buildings and impervious surfaces and that reserved for open space.				
		A land use tabulation summary shall be provided indicating types of uses, acreage for each land use number of units, densities and land use intensities.  Dwelling unit density where pertinent; including a density schedule demonstrating number of each dwelling type, if applicable.				
		Dwelling unit density where pertinent.				
		Project phasing, if applicable.				
		Location of public and private rights-of-way and easements contiguous to and within the propose development which are planned to be continued, created, relocated or abandoned, including grade and types of construction of those upon the site. Location of public and private rights-of-way an easements contiguous to and within the proposed development which are planned to be continued created, relocated or abandoned, including grades and types of construction of those upon the site.				
		Curb-cuts, driving lanes, parking, and loading areas. Curb-cuts, driving lanes, parking and loading areas, including the number of parking spaces and parking calculations; vehicular circulation pattern and features, location and size of all parking spaces and the identification of service lanes and parking				
		Curb-cuts and driveways on adjacent properties.
